Dear Mr. Crawford,

Thank you for your generous gift in memory of Ashley Anderson and in support of brain tumor biology research at the Translational Genomics Research Institute (TGen).

We are proud to have known Ashley and to have participated in her care. The Anderson's are extraordinary people who remain an important inspiration to our brain tumor research efforts.

Please accept this letter as our formal acknowledgment of your gift of \$2,000.00. For IRS purposes, it is important to note that TGen did not provide any goods or services in exchange for your donation. We will notify Brad that you have made a contribution.

Thank you again for your generous support. If you should have any questions, please contact me by phone at (602) 343-8411 or via email at mbassoff@tgen.org.

Sincerely,

A handwritten signature in cursive script that reads "Michael Bassoff".

President, TGen Foundation

Thanks very much.
